YOUR ORDER DELIVERY PROCESS

A black and white photograph of a person jumping into water, with the text "JUMP INTO THE WATER OF DATA" overlaid. The person is captured mid-jump, with their body arched and arms tucked, creating a splash of water around them. The background is a uniform, light gray, suggesting a clear sky or a bright, overexposed area. The text is in a bold, white, sans-serif font, centered horizontally across the middle of the image.

OUR KEY FINDINGS

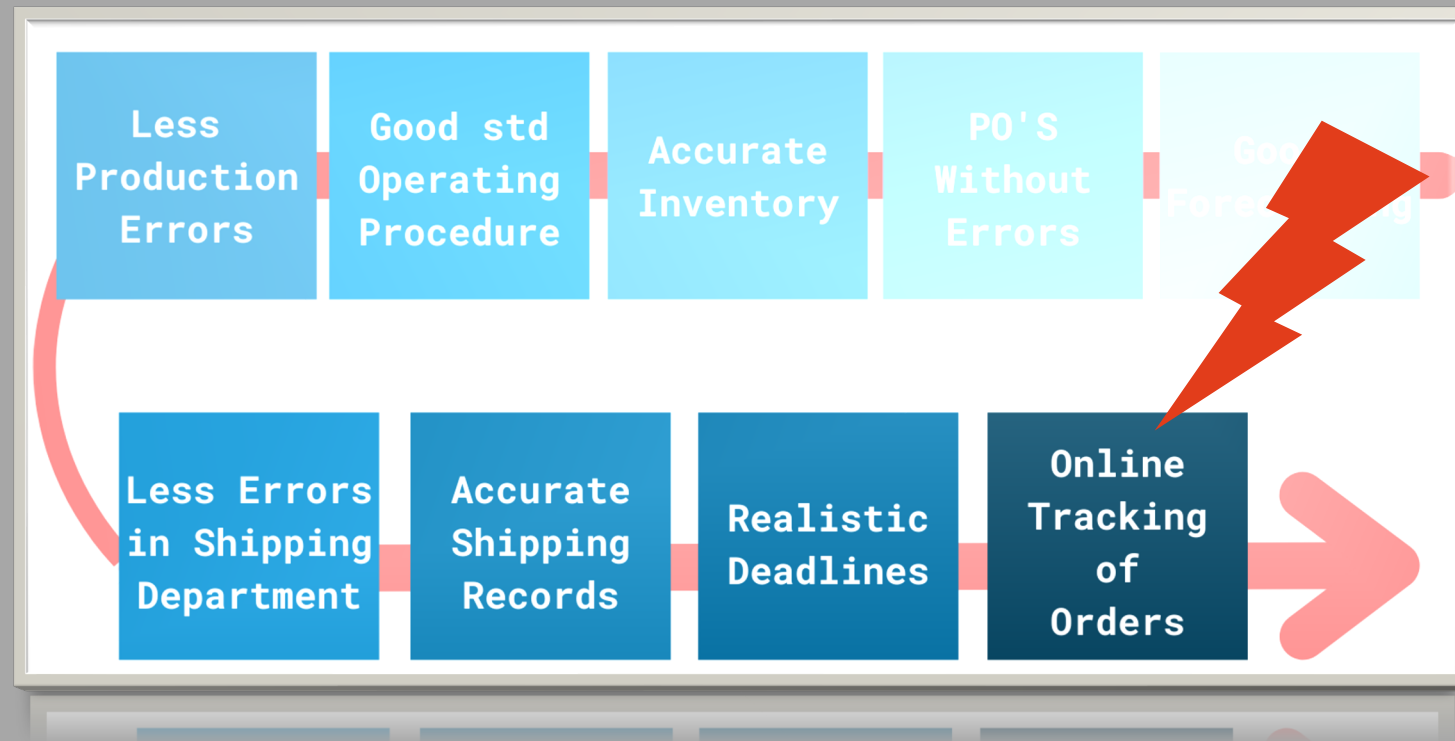

Our findings don't align your expectations of your order process.

Time matters. On-time delivery is crucial.

Track and analyse reasons for previous late delivery between order received, logistic company and the final handover to the customer

Make Express or Standard options clearer to customers.

KPI: DELIVERY PERFORMANCE INDICATOR
